When should I call Marillac for a same day appointment?

When you or your family need immediate care.

If you are already a Marillac patient, when you call for an appointment, the operator will help you determine if you need to come in that same day for conditions such as:

- Coughs, colds, low-grade fevers, sore throats
- Minor injuries, sprains, bruises, aches and pains
- Minor burns, cuts, insect or animal bites
- Ear aches, pink eye, minor rashes
- Minor stomach upsets and/or vomiting
- Minor urinary tract infections
- Some prescription refills (will not routinely refill narcotics)

When should I go to the Emergency Room?

When you or your family are experiencing any of the following symptoms:

- Chest Pain, pain in your jaw or arm
- Loss of speech or slurred speech, Weakness or numbness on one side of the body, change or loss of vision
- Confusion or severe dizziness or fainting/blackouts, loss of feeling or not being able to move
- Choking
- Head injury, or any severe injury, severe burns, broken bones
- Fever higher than 101 degrees, vomiting for more than 3 hours
- Vomiting blood or coughing up blood, uncontrollable bleeding
- Drug overdose, seizures
- Any problem that you think cannot wait

Marillac is the one-stop patient-centered resource for you and your family's health.

Your regularly scheduled appointments are still the best way to meet your routine health care needs, but when you need same day care, we're here for you.

THE RIGHT CARE. RIGHT NOW.

CONVENIENCE CARE is for Marillac patients only. It's just another way Marillac is meeting your healthcare needs!
